**PART I**

**REPORT OF AUDIT OF FINANCIAL STATEMENTS**

**YEAR ENDED DECEMBER 31, 2025**

## **Independent Auditors' Report**

**The Honorable Mayor and Members  
of the Borough Council  
Borough of Englewood Cliffs  
Englewood Cliffs, New Jersey**

### **Report on the Audit of the Regulatory Basis Financial Statements**

#### ***Opinions on Regulatory Basis Financial Statements***

We have audited the regulatory basis financial statements of the various funds and the governmental fixed assets of the Borough of Englewood Cliffs, New Jersey, ("Borough") which comprise the balance sheets as of December 31, 2025, and the related statements of operations and changes in fund balance for the year then ended, the statements of changes in fund balance, the statements of revenues and statements of expenditures for the year ended December 31, 2025, and the related notes to the financial statements, which collectively comprise the Borough's basic financial statements as listed in the table of contents.

#### ***Unmodified Opinion on Regulatory Basis of Accounting – December 31, 2025***

In our opinion, the accompanying regulatory basis financial statements present fairly, in all material respects, the regulatory basis balance sheets of the Borough as of December 31, 2025, and the regulatory basis statements of operations and changes in fund balances for the year then ended and the regulatory basis statements of revenue and statements of expenditures for the year ended December 31, 2025 and the related notes to the financial statements, in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey ("Division") described in Note 1.

#### ***Qualified Opinion on Regulatory Basis of Accounting – December 31, 2024***

The regulatory basis financial statements of the Borough as of and for the year ended December 31, 2024 were audited by other auditors whose report dated October 2, 2025 expressed a qualified opinion on those regulatory basis financial statements.

#### ***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Borough as of December 31, 2025, or its revenues, expenditures and changes in fund balance thereof for the year then ended.

***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"), requirements prescribed by the Division, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards and requirements are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Borough, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note 1 of the financial statements, the financial statements are prepared by the Borough on the basis of the financial reporting provisions of the Division (regulatory basis), which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Division. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions of the Division. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Borough's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, requirements prescribed by the Division, and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**The Honorable Mayor and Members  
of the Borough Council  
Borough of Englewood Cliffs  
Englewood Cliffs, New Jersey**

*Page 3*

In performing an audit in accordance with GAAS, requirements prescribed by the Division, and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Borough's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Report on Supplementary Information Required by the Division in Accordance with the Regulatory Basis of Accounting***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Borough's basic financial statements. The information included in Part II – Supplementary Information – required by the Division, Part III – Supplementary Data, Part IV – Government Auditing Standards and Part V – General Comments and Recommendations, as listed in the table of contents, is presented for purposes of additional analysis as required by the Division and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplementary Information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

of the Borough Council  
Borough of Englewood Cliffs  
Englewood Cliffs, New Jersey**

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 24, 2026 on our consideration of the Borough's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Borough's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Borough's internal control over financial reporting and compliance.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Reporting Entity**

The Borough of Englewood Cliffs (the "Borough") was incorporated in 1903 and operates under an elected Mayor and Council form of government. The Mayor is elected to a four-year term and the six council members are elected at-large, two each year for terms of three years. The Mayor is the Chief Executive Officer of the Borough and as such presides over all public meetings and makes appointments to various boards. The Borough Council exercises all legislative powers including final adoption of the municipal budget and bond ordinances and confirmation of the Mayor's appointments, and all executive authority which is not specifically provided to the Mayor, by state law. A Borough Administrator is appointed by the Borough Council and is responsible for the implementation of the policies of the Mayor and Council, for the administration of all Borough affairs and for the day-to-day operations of the Borough. The Borough Administrator is the Chief Administrative Officer for the Borough. The Borough's major operations include public safety, road repair and maintenance, sanitation, fire protection, recreation and parks, health services, and general administrative services.

The Governmental Accounting Standards Board (GASB) requires the financial reporting entity to include both the primary government and component units. Component units are legally separate organizations for which the Borough is financially accountable. The Borough is financially accountable for an organization if the Borough appoints a voting majority of the organization's governing board and (1) the Borough is able to significantly influence the programs or services performed or provided by the organization; or (2) the Borough is legally entitled to or can otherwise access the organization's resources; the Borough is legally obligated or has otherwise assumed the responsibility to finance the deficits of, or provide financial support to, the organization; or the Borough is obligated for the debt of the organization. Component units may also include organizations that are fiscally dependent on the Borough in that the Borough approves the budget, the issuance of debt or the levying of taxes. The Borough is not includable in any other reporting entity as a component unit.

The financial statements contained herein include only those boards, bodies, officers or commissions as required by NJS 40A:5-5. Accordingly, the financial statements of the Borough do not include the volunteer fire department which is considered a component unit under accounting principles generally accepted in the United States of America (GAAP). Complete financial statements of the above component unit can be obtained by contacting the Treasurer of the respective entity.

**B. Description of Regulatory Basis of Accounting**

The financial statements of the Borough of Englewood Cliffs have been prepared on a basis of accounting in conformity with accounting principles and practices prescribed or permitted by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division") which is a regulatory basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the Borough accounts for its financial transactions through separate funds, which differ from the fund structure required by GAAP.

The GASB is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The GASB has adopted accounting statements to be used by governmental units when reporting financial position and results of operations in accordance with accounting principles generally accepted in the United States of America (GAAP). The municipalities in the State of New Jersey do not prepare financial statements in accordance with GAAP and thus do not comply with all of the GASB pronouncements.

**C. Basis of Presentation – Financial Statements**

The Borough uses funds, as required by the Division, to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial administration by segregating transactions related to certain Borough functions or activities. The Borough also uses an account group, which is designed to provide accountability for certain assets that are not recorded in those Funds.

The Borough has the following funds and account group:

Current Fund – This fund is used to account for the revenues and expenditures for governmental operations of a general nature and the assets and liabilities related to such activities, including Federal and State grants not accounted for in another fund.

Trust Funds - These funds are used to account for assets held by the government in a trustee capacity. Funds held by the Borough as an agent for individuals, private organizations, or other governments are recorded in the Trust Funds.

Animal Control Trust Fund - This fund is used to account for fees collected from dog and cat licenses and expenditures which are regulated by NJS 4:19-15.11.

Other Trust Fund - This fund is established to account for the assets and resources, which are held by the Borough as a trustee or agent for individuals, private organizations, other governments and/or other funds. These funds include dedicated fees/proceeds collected, developer deposits, payroll related deposits and funds deposited with the Borough as collateral.

General Capital Fund – This fund is used to account for the receipt and disbursement of funds used and financial transactions related to the acquisition or improvement of general capital facilities and other capital assets, other than those acquired in the Current Fund.

General Fixed Assets Account Group - This account group is used to account for all general fixed assets of the Borough. The Borough's infrastructure is not reported in the account group.

**Comparative Data** - Comparative data for the prior year has been presented in the accompanying financial statements in order to provide an understanding of changes in the Borough's financial position and operations. However, comparative data have not been presented in all statements because their inclusion would make certain statements unduly complex and difficult to understand.

**Reclassifications** - Certain reclassifications may have been made to the December 31, 2024 balances to conform to the December 31, 2025 presentation.

**Financial Statements – Regulatory Basis**

The GASB Codification also requires the financial statements of a governmental unit to be presented in the basic financial statements in accordance with GAAP. The Borough presents the regulatory basis financial statements listed in the table of contents which are required by the Division and which differ from the basic financial statements required by GAAP. In addition, the Division requires the regulatory basis financial statements listed in the table of contents to be referenced to the supplementary schedules. This practice differs from reporting requirements under GAAP.

**NOTES TO FINANCIAL STATEMENTS**  
**YEARS ENDED DECEMBER 31, 2025 AND 2024**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**D. Measurement Focus and Basis of Accounting**

The accounting and financial reporting treatment is determined by the accounting principles and practices prescribed by the Division in accordance with the regulatory basis of accounting. Measurement focus indicates the type of resources being measured. The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

The Borough of Englewood Cliffs follows a modified accrual basis of accounting. Under this method of accounting, revenues, except State/Federal Aid, are recognized when received and expenditures are recorded when incurred. The accounting principles and practices prescribed or permitted for municipalities by the Division ("regulatory basis of accounting") differ in certain respects from accounting principles generally accepted in the United States of America (GAAP) applicable to local government units. The more significant differences are as follows:

**Cash, Cash Equivalents and Investments** - Cash includes amounts in demand deposits as well as short-term investments with a maturity date within three months of the date acquired by the government. Investments are reported at cost and are limited by N.J.S.A. 40A:5-15.1 et seq. GAAP requires that all investments be reported at fair value.

**Inventories** - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various balance sheets. GAAP requires inventories to be recorded as assets in proprietary-type funds.

**Property Tax Revenues/Receivables** - Real property taxes are assessed locally, based upon the assessed value of the property. The tax bill includes a levy for Municipal, County, and School purposes. The bills are mailed annually in June for that calendar year's levy. Taxes are payable in four quarterly installments on February 1, May 1, August 1, and November 1. The amounts of the first and second installments are determined as one-quarter of the total tax levied against the property for the preceding year. The installment due the third and fourth quarters is determined by taking the current year levy less the amount previously charged for the first and second installments, with the remainder being divided equally. If unpaid on these dates, the amount due becomes delinquent and subject to interest at 8% per annum, or 18% on any delinquency amount in excess of \$1,500. A penalty of up to 6% of the delinquency may be imposed on a taxpayer with a delinquency in excess of \$10,000 who fails to pay that delinquency prior to the end of the fiscal year in which the charges become delinquent. The school levy is turned over to the Board of Education as expenditures are incurred, and the balance, if any, must be transferred as of December 31, of each fiscal year. County taxes are paid quarterly on February 15, May 15, August 15 and November 15, to the County by the Borough. When unpaid taxes or any municipal lien, or part thereof, on real property, remains in arrears on April first in the year following the calendar year levy when the same became in arrears, the collector in the municipality shall, subject to the provisions of the New Jersey Statutes, enforce the lien by placing the property on a standard tax sale. The Borough also has the option when unpaid taxes or any municipal lien, or part thereof, on real property remains in arrears on the 11<sup>th</sup> day of the eleventh month in the fiscal year when the taxes or lien became in arrears, the collector in the municipality shall, subject to the provisions of the New Jersey Statutes, enforce the lien by placing property on an accelerated tax sale, provided that the sale is conducted and completed no earlier than in the last month of the fiscal year. The Borough may institute annual in rem tax foreclosure proceedings to enforce the tax collection or acquisition of title to the property. In accordance with the accounting principles prescribed by the State of New Jersey, current and delinquent taxes are realized as revenue when collected. Since delinquent taxes and liens are fully reserved, no provision has been made to estimate that portion of the tax receivable and tax title liens that are uncollectible. GAAP requires property tax revenues to be recognized in the accounting period when they become susceptible to accrual (i.e., when they are both levied and available), reduced by an allowance for doubtful accounts.

**NOTES TO FINANCIAL STATEMENTS**  
**YEARS ENDED DECEMBER 31, 2025 AND 2024**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**D. Measurement Focus and Basis of Accounting (Continued)**

**Miscellaneous Revenues/Receivables** - Miscellaneous revenues are recognized on a cash basis. Receivables for the miscellaneous items that are susceptible to accrual are recorded with offsetting reserves on the balance sheet of the Borough's Current Fund. GAAP requires such revenues to be recognized in the accounting period when they become susceptible to accrual (i.e., when they are both measurable and available).

**Grant and Similar Award Revenues/Receivables** - Federal and State grants, entitlements or shared revenues received for purposes normally financed through the Current Fund are recognized when anticipated in the Borough's budget. GAAP requires such revenues to be recognized as soon as all eligibility requirements imposed by the grantor or provider have been met.

**Property Acquired for Taxes** – Property acquired for taxes is recorded in the Current Fund at the assessed valuation when such property was acquired, and is fully reserved. GAAP requires such property to be recorded as a capital asset in the government-wide financial statements at fair value on the date of acquisition.

**Interfunds** - Interfund receivables in the Current Fund are recorded with offsetting reserves, which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves. GAAP does not require the establishment of an offsetting reserve for interfunds and, therefore, does not recognize income in the year liquidated.

**Deferred Charges** – Certain expenditures and other items are required to be deferred to budgets of succeeding years. GAAP requires expenditures and certain other items generally to be recognized when incurred, if measurable.

Funded and unfunded debt authorizations for general capital projects are also recorded as deferred charges and represent permanent long-term debt issues outstanding (funded) and temporary debt issues outstanding or unissued debt authorizations (unfunded), respectively. GAAP does not permit the recording of deferred charges for funded and unfunded debt authorizations.

**Appropriation Reserves** – Appropriation reserves are recorded as liabilities and are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as additions to income. Appropriation reserves do not exist under GAAP.

**Expenditures** – Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when an amount is encumbered for goods or services through the issuance of a purchase order in conjunction with an encumbrance accounting system. Outstanding encumbrances at December 31, are reported as a cash liability in the financial statements. Unexpended or uncommitted appropriations, at December 31, are reported as expenditures through the establishment of appropriation reserves unless cancelled by the governing body. GAAP requires expenditures to be recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt, as well as expenditures related to compensated absences and claims and judgements, which are recognized when due.

**Encumbrances** - Contractual orders outstanding at December 31, are reported as expenditures and liabilities through the establishment of an encumbrance payable. Encumbrances do not constitute expenditures or liabilities under GAAP.

**Compensated Absences** - Expenditures relating to obligations for unused vested accumulated vacation and sick leave are not recorded until paid; however, municipalities may establish and budget reserve funds subject to NJSA 40A:4-39 for the future payment of compensated absences. GAAP requires that liabilities for compensated absences be recorded for leave that has not been used when the leave is attributable to services already rendered and the leave is more likely than not to be used for time off or otherwise paid in cash. Compensated absences liabilities are not recorded on the balance sheet.

**D. Measurement Focus and Basis of Accounting (Continued)**

**Tax Appeals and Other Contingent Losses** - Losses arising from tax appeals and other contingent losses are recognized at the time a decision is rendered by an administrative or judicial body; however, municipalities may establish reserves transferred from tax collections or by budget appropriation for future payments of tax appeal losses. GAAP requires such amounts to be recorded when it is probable that a loss has been incurred and the amount of such loss can be reasonably estimated.

**Deferred School Taxes** – School taxes raised in advance in the Current Fund for a school fiscal year (July 1 to June 30) which remain unpaid at December 31 of the calendar year levied may be deferred to fund balance to the extent of not more than 50% of the annual levy providing no requisition has been made by the school district for such amount. GAAP does not permit the deferral of unpaid school taxes to fund balance at year end.

**General Fixed Assets** - In accordance with NJAC 5:30-5.6, Accounting for Governmental Fixed Assets, the Borough of Englewood Cliffs has developed a fixed assets accounting and reporting system. Fixed assets are defined by the Borough as assets with an initial, individual cost of \$1,000 and an estimated useful life in excess of two years.

Fixed assets used in governmental operations (general fixed assets) are accounted for in the General Fixed Assets Account Group. Public domain ("infrastructure") general fixed assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, streets and sidewalks and sewerage and drainage systems are not capitalized.

General Fixed Assets purchased during 2025 and 2024 are stated at cost. Donated fixed assets are recorded at acquisition value at the date of donation.

General Fixed Assets purchased prior to the Borough's initial fixed assets report are stated as follows:

|                        |                           |
|------------------------|---------------------------|
| Land and Buildings     | Assessed Value            |
| Vehicles and Equipment | Current Replacement Value |

No depreciation has been provided for in the financial statements.

Expenditures for construction in progress are recorded in the General Capital Fund until such time as the construction is completed and put into operation for general fixed assets.

GAAP requires that capital assets be recorded in proprietary-type funds as well as the government-wide financial statement at historical or estimated historical cost if actual historical cost is not available. In addition, GAAP requires depreciation on capital assets to be recorded in proprietary-type funds as well as in the government-wide financial statements.

**Long-term Debt** – The Borough's long-term debt is stated at face value. Additional information pertinent to the Borough's long-term debt is disclosed in Note 9 to the financial statements.

**D. Measurement Focus and Basis of Accounting (Continued)**

**Net Pension Liability and Related Deferred Outflows of Resources and Deferred Inflows of Resources and Pension Expense** - The requirements of GASB Statement No. 68, *Accounting and Financial Reporting for Pensions* and GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date – an amendment of GASB No. 68* require governmental entities to record their distributive shares of net pension liability, deferred outflows of resources, deferred inflows of resources and total pension related expense. Accounting principles applicable to municipalities, which have been prescribed by the Division, do not require the recording of the liabilities, deferrals, and expenses, but do require the disclosure of these amounts. The audited financial information related to these pensions is released annually by the State's Division of Pension and Benefits and is required to be included as note disclosures in the financial statements. Pursuant to N.J.A.C. 5:30-6.1(c)2, municipalities may use the most recent available audited GASB 68 financial information published by the New Jersey Department of the Treasury, Division of Pensions and Benefits. The 2024 Public Employees' Retirements System Report and the 2024 Police and Firemen's Retirement System Report were the most recent reports available and therefore information for that year was disclosed accordingly. Refer to Note 11 for these disclosures.

**Other Post-Employment Benefits Other Than Pensions** – The requirements of GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions (OPEB)* that is provided by other entities require governmental entities to record in their financial statements a share of the other governments net OPEB liability, deferred outflows of resources, deferred inflows of resources and total OPEB expense. Accounting principles applicable to municipalities, which have been prescribed by the Division, do not require the recording of these liabilities, deferrals, and expenses, but do require the disclosure of these amounts. Since the Borough does not follow generally accepted accounting principles, the GASB did not result in a change in the Borough's assets, liabilities and contribution requirements. However, it did result in additional note disclosures as required by the GASB. Pursuant to N.J.A.C. 5:30-6.1(c)2, municipalities may use the most recent available audited GASB 75 financial information published by the New Jersey Department of the Treasury, Division of Pensions and Benefits. The 2024 Report was the most recent report available and therefore information for that year was disclosed accordingly. Refer to Note 12 for these disclosures.

**Use of Estimates** - The preparation of financial statements requires management of the Borough to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of accrued revenues and expenditures during the reporting period. Accordingly, actual results could differ from those estimates.

**NOTE 2 STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY**

**Budgets and Budgetary Accounting** - An annual budget is required to be adopted and integrated into the accounting system to provide budgetary control over revenues and expenditures. Budget amounts presented in the accompanying financial statements represent amounts adopted by the Borough and approved by the Division as per N.J.S.A. 40A:4 et seq.

The Borough is not required to adopt budgets for the following funds:

Trust Funds  
General Capital Fund

The governing body is required to introduce and approve the annual budget no later than February 10, of the fiscal year. The budget is required to be adopted no later than March 20, and prior to adoption must be certified by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. The Director of the Division of Local Government Services, with the approval of the Local Finance Board may extend the introduction and approval and adoption dates of the municipal budget. The budget is prepared by fund, function, activity and line item (salary or other expense) and includes information on the previous year. The legal level of control for appropriations is exercised at the individual line item level for all operating budgets adopted. The governing body of the municipality may authorize emergency appropriations and the inclusion of certain special items of revenue to the budget after its adoption and determination of the tax rate. During the last two months of the fiscal year, the governing body may, by a 2/3 vote; amend the budget through line item transfers. Management has no authority to amend the budget without the approval of the governing body. Expenditures may not legally exceed budgeted appropriations at the line item level. During 2025 and 2024, the Borough Council increased the original budget by \$30,151 and \$390,617, respectively. The increase in 2025 was \$30,151 of additional aid allotted to the Borough. The increase in 2024 was funded by a special emergency authorization of \$300,000 for attorney fees and \$90,617 of additional aid allotted to the Borough. In addition, the governing body approved several budget transfers during 2025 and 2024.

**NOTE 3 CASH DEPOSITS AND INVESTMENTS**

The Borough considers petty cash, change funds, cash in banks, certificates of deposit and deposits with the New Jersey Cash Management Fund as cash and cash equivalents.

**A. Cash Deposits**

The Borough's deposits are insured through either the Federal Deposit Insurance Corporation (FDIC), National Credit Union Share Insurance Fund (NCUSIF), Securities Investor Protection Corporation (SIPC) or New Jersey's Governmental Unit Deposit Protection Act (GUDPA). The Borough is required to deposit their funds in a depository which is protecting such funds pursuant to GUDPA. The New Jersey Governmental Unit Deposit Protection Act requires all banks doing business in the State of New Jersey to pledge collateral equal to at least 5% of the average amount of its public deposits and 100% of the average amount of its public funds in excess of the lesser of 75% of its capital funds or \$200 million for all deposits not covered by the FDIC or NCUSIF.

Bank balances are insured up to \$250,000 in the aggregate by the FDIC for each bank. NCUSIF insures credit union accounts up to \$250,000 in the aggregate for each financial institution. SIPC replaces cash claims up to a maximum of \$250,000 for each failed brokerage firm. At December 31, 2025 and 2024, the book value of the Borough's deposits were \$11,496,535 and \$13,450,537 and bank and brokerage firm balances of the Borough's deposits amounted to \$11,873,457 and \$15,524,671, respectively. The Borough's deposits which are displayed on the various fund balance sheets as "cash" are categorized as:

**B. Investments (Continued)**

As of December 31, 2025 and 2024, the Borough had State of New Jersey Cash Management Funds of \$5,090 and \$4,233, respectively. These amounts are included in the book values of the Borough's deposits above.

Custodial Credit Risk – Investments – For an investment, this is the risk, that in the event of the failure of the counterparty, the Borough will not be able to recover the value of its investments or collateral securities that are held by an outside party. The Borough does not have a policy for custodial risk.

Interest Rate Risk – Interest rate risk is the risk that changes in the market interest rate will adversely affect the fair value of an investment. The Borough does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk – Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. State law limits investments as noted above (N.J.S.A. 40A:5-15.1 and NJAC 5:30-14.19). The Borough does not have an investment policy that would further limit its investment choices.

Concentration of Credit Risk – The concentration of credit risk is the risk of loss that may be caused by the Borough's investment in a single issuer. The Borough places no limit in the amount the Borough may invest in any one issuer.

Fair Value of Investments. The Borough measures and records its investments using fair value measurement guidelines established by generally accepted accounting principles (GAAP). These guidelines recognize a three-tiered fair value hierarchy as follows:

- *Level 1:* Quoted prices for identical investments in active markets;
- *Level 2:* Observable inputs other than those in Level 1; and
- *Level 3:* Unobservable inputs.

Interest earned in the General Capital Fund, Animal Control Trust Fund and certain Other Trust Funds are assigned to the Current Fund in accordance with the regulatory basis of accounting.

**NOTES TO FINANCIAL STATEMENTS**  
**YEARS ENDED DECEMBER 31, 2025 AND 2024**

**NOTE 6 DEFERRED AND PREPAID SCHOOL TAXES**

Under the regulatory basis of accounting, regulations allow for the deferral to fund balance of not more than 50% of the annual school levy when school taxes are raised in advance for a school year and have not been requisitioned by the school district as of December 31. The balance of unpaid school taxes levied, amount deferred, the amount reported as a liability (payable) and the amount prepaid at December 31, 2025 and 2024 are as follows:

|                    | <u>Local District School</u> |                  |
|--------------------|------------------------------|------------------|

| Taxes Payable      | <u>\$ -</u>                  | <u>\$ -</u>      |

As of December 31, 2025, the Borough prepaid the January 2026 school taxes in the amount of \$1,500,959. This amount is recorded in the Current Fund with an offsetting reserve.

**NOTE 7 FUND BALANCES APPROPRIATED**

Under the regulatory basis of accounting, fund balances in the Current Fund are comprised of cash surplus (fund balance) and non-cash surplus (fund balance). All or part of cash surplus as of December 31 may be anticipated in the subsequent year's budget. The non-cash surplus portion of fund balance may be utilized in the subsequent year's budget with the prior written consent of the Director of the Division of Local Government Services if certain guidelines are met as to its availability. Fund balances at December 31, which were appropriated and included as anticipated revenue in their own respective fund's budget for the succeeding year were as follows:

|                  | <u>2025</u>                            |                                             | <u>2024</u>                            |                                            |

**NOTE 9 MUNICIPAL DEBT**

The Local Bond Law (N.J.S.A. 40A:2 et.seq.) governs the issuance of bonds and notes used to finance capital expenditures. General obligation bonds have been issued for general capital fund projects and acquisitions or other purposes permitted by the Local Bond Law. All bonds are retired in serial installments within the statutory period of usefulness. Bonds issued by the Borough are general obligation bonds, backed by the full faith and credit of the Borough. Bond anticipation notes, which are issued to temporarily finance capital projects and acquisitions or other purposes permitted by the Local Bond Law, must be paid off within ten years and four months or retired by the issuance of bonds.

The Borough's debt is summarized as follows:

|                                                             | <u><b>2025</b></u>   | <u><b>2024</b></u>   |

**YEARS ENDED DECEMBER 31, 2025 AND 2024**

**NOTE 9 MUNICIPAL DEBT (Continued)**

**B. Short-Term Debt**

The Borough's short-term debt activity for the years ended December 31, 2025 and 2024 was as follows:

**Bond Anticipation Notes**

The purpose of these short-term borrowings was to provide resources for capital construction, acquisitions or improvement projects and other purposes permitted by the Local Bond Law NJSA 40A:2 et. seq. The amounts issued for general governmental activities are accounted for in the General Capital Fund.

State law requires that notes are to be issued for a period not exceeding one year and may be renewed from time to time for additional periods, none of which shall exceed one year. All bond anticipation notes, including renewals, shall mature and be paid not later than the first day of the fifth month following the close of the tenth fiscal year following the date of the original notes. In addition, any note renewed beyond the third anniversary date of the original note, requires one legally payable installment to be paid.

**NOTE 11 EMPLOYEE RETIREMENT SYSTEMS**

The State of New Jersey sponsors and administers the following contributory defined benefit public employee retirement systems (retirement systems) covering substantially all state and local government employees which includes those Borough employees who are eligible for pension coverage.

**Police and Firemen's Retirement System (PFRS)** – established in July 1944, under the provisions of N.J.S.A. 43:16A to provide coverage to substantially all full time county and municipal police or firemen and State firemen appointed after December 31, 1944. Membership is mandatory for such employees. PFRS is a cost-sharing multi-employer defined benefit pension plan with a special funding situation. For additional information about PFRS, please refer to the State Division of Pension and Benefits (Division's) Comprehensive Annual Financial Report (CAFR) which can be found at [www.state.nj.us/treasury/pensions](http://www.state.nj.us/treasury/pensions).

The vesting and benefit provisions are set by N.J.S.A. 43:16A. PFRS provides retirement benefits as well as death and disability benefits. All benefits vest after ten years of service, except disability benefits which vest after four years of service.

The following represents the membership tiers for PFRS:

| <b>Tier</b> | <b>Definition</b>                                                                       |
|-------------|-----------------------------------------------------------------------------------------|
| 1           | Members who were enrolled prior to May 22, 2010                                         |
| 2           | Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011 |
| 3           | Members who were eligible to enroll on or after June 28, 2011                           |

Service retirement benefits are available at age 55 and are generally determined to be 2% of final compensation for each year of creditable service, as defined, up to 30 years plus 1% for each year of service in excess of 30 years. Members may seek special retirement after achieving 25 years of creditable service, in which benefits would equal 65% (tier 1 and 2 members) and 60% (tier 3 members) of final compensation plus 1% for each year of creditable service over 25 years, but not to exceed 30 years. Members may elect deferred retirement benefits after achieving ten years of service, in which case, benefits would begin at age 55 equal to 2% of final compensation for each year of service.

**Public Employees' Retirement System (PERS)** – established in January 1955, under the provisions of N.J.S.A. 43:15A to provide coverage, to substantially all full-time employees of the State or any county, municipality, school district, or public agency provided the employee is not a member of another State-administered retirement system. Membership is mandatory for such employees. PERS is a cost-sharing multi-employer defined benefit pension plan. For additional information about PERS, please refer to the State Division of Pension and Benefits (Division's) Annual Comprehensive Financial Report (ACFR) which can be found at [www.state.nj.us/treasury/pensions](http://www.state.nj.us/treasury/pensions).

The vesting and benefit provisions are set by N.J.S.A. 43:15A. PERS provides retirement, death, and disability benefits. All benefits vest after ten years of service, except for medical benefits, which, if applicable, vest after 25 years of service or under the disability provisions of PERS.

The following represents the membership tiers for PERS:

| <b>Tier</b> | <b>Definition</b>                                                                          |

**Public Employees' Retirement System (PERS) (Continued)**

Service retirement benefits of 1/55<sup>th</sup> of final average salary for each year of service credit is available to tier 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service retirement benefits of 1/60<sup>th</sup> of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and tier 5 members upon reaching age 65. Early retirement benefits are available to tier 1 and 2 members before reaching age 60, tier 3 and 4 members with 25 or more years of service credit before age 62, and tier 5 members with 30 or more years of service credit before age 65. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the age at which member can receive full early retirement benefits in accordance with their respective tier. Tier 1 members can receive an unreduced benefit from age 55 to age 60 if they have a least 25 years of service. Deferred retirement is available to members who have at least ten years of service credit and have not reached the service retirement age for the respective tier.

The State of New Jersey sponsors and administers the following defined contribution public employee retirement program covering certain state and local government employees which include those Borough employees who are eligible for pension coverage.

**Defined Contribution Retirement Program (DCRP)** – established under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2008 to provide coverage to elected and certain appointed officials, effective July 1, 2007 and employees enrolled in PERS on or after July 1, 2007 who earn in excess of established annual maximum compensation limits (equivalent to annual maximum wage for social security deductions). This provision was extended by Chapter 1, P.L. 2010, effective May 21, 2010, to new employees (Tier 2) of the PERS and new employees who would otherwise be eligible to participate in PERS and do not earn the minimum salary required or do not work the minimum required hours but earn a base salary of at least \$5,000 are eligible for participation in the DCRP. Membership is mandatory for such individuals with vesting occurring after one (1) year of membership. DCRP is a defined contribution pension plan.

**Other Pension Funds**

The state established and administers a Supplemental Annuity Collective Trust Fund (SACT) which is available to active members of the State-administered retirement systems to purchase annuities to supplement the guaranteed benefits provided by their retirement system. The state or local governmental employers do not appropriate funds to SACT.

The cost of living increase for PERS and PERS are funded directly by each of the respective systems, but are currently suspended as a result of reform legislation.

According to state law, all obligations of each retirement system will be assumed by the State of New Jersey should any retirement system be terminated.

The State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, issues publicly available financial reports that include the financial statements and required supplementary information of each of the above systems, funds, and trust. The financial reports may be accessed via the New Jersey, Division of Pensions and Benefits website at [www.state.nj.us/treasury/pensions](http://www.state.nj.us/treasury/pensions).

**Measurement Focus and Basis of Accounting**

The financial statements of the retirement systems are prepared in accordance with U.S. generally accepted accounting principles as applicable to governmental organizations. In doing so, the Division adheres to reporting requirements established by the Governmental Accounting Standards Board (GASB).

The accrual basis of accounting is used for measuring financial position and changes in net position of the pension trust funds. Under this method, contributions are recorded in the accounting period in which they are legally due from the employer or plan member, and deductions are recorded at the time the liabilities are due and payable in accordance with the terms of each plan. The accounts of the Division are organized and operated on the basis of funds. All funds are accounted for using an economic resources measurement focus.

**Investment Valuation**

The Division of Investment, Department of the Treasury, State of New Jersey (Division of Investment) manages and invests certain assets of the retirement systems. Prudential retirement is the third-party administrator for the DCRP and provides record keeping, administrative services and investment options. Investment transactions are accounted for on a trade or investment date basis. Interest and dividend income is recorded on the accrual basis, with dividends accruing on the ex-dividend date. The net increase or decrease in the fair value of investments includes the net realized and unrealized gains or losses on investments.

The State of New Jersey, Department of the Treasury, Division of Investment, issues publicly available financial reports that include the financial statements of the State of New Jersey Cash Management Fund. The financial report may be obtained by writing to the State of New Jersey, Department of the Treasury, Division of Investment, P.O. Box 290, Trenton, New Jersey 08625-0290, or at [www.state.nj/treasury/doinvest](http://www.state.nj/treasury/doinvest).

**Collective Net Pension Liability**

The collective net pension liability of the participating employers for local PERS at June 30, 2024 was \$13.7 billion. The collective net pension liability of the participating employers for local PFRS at June 30, 2024 was \$12.3 billion.

**Actuarial Methods and Assumptions**

In the July 1, 2023 PERS and PFRS actuarial valuations, the actuarial assumptions and methods used in these valuations were described in the Actuarial Assumptions and Methods section of the Actuary's report and are included here in this note to the financial statements. The pension systems selected economic and demographic assumptions and prescribed them for use for purposes of compliance with GASB Statement No. 68. The Actuary provided guidance with respect to these assumptions, and it is their belief that the assumptions represent reasonable expectations of anticipated plan experience.

**Employer and Employee Pension Contributions**

The contribution policy is set by laws of the State of New Jersey and contributions are required by active members and participating employers. Plan members and employer contributions may be amended by State of New Jersey legislation, with the amount of contributions by the State of New Jersey contingent upon the annual Appropriations Act. As defined, the various retirement systems require employee contributions for 2025 and 2024 based on 10.0% for PFRS, 7.50% for PERS and 5.50% for DCRP of employee’s pensionable compensation.

For PFRS and PERS, which are cost sharing multi-employer defined benefit pension plans, employers’ contributions are based on an actuarially determined amount, which includes the normal cost and unfunded accrued liability. In the DCRP, which is a defined contribution plan, member contributions are matched by a 3% employer contribution. All contributions made by the Borough for 2025, 2024 and 2023 were equal to the required contributions.

During the years ended December 31, 2025, 2024 and 2023, the Borough was required to contribute for normal cost pension contributions, accrued liability pension contributions and non-contributory life insurance premiums the following amounts which equaled the actual contributions for each respective year:

**Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**

The regulatory basis of accounting requires participating employers in PERS and PFRS to disclose in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*, (GASB No. 68) their proportionate share of the collective net pension liability, collective deferred outflows of resources, collective deferred inflows of resources and collective pension expense excluding that attributable to employer-paid member contributions. The employer allocation percentages presented are based on the ratio of the contributions as an individual employer to total contributions to the PERS and PFRS during the fiscal year ended June 30, 2024. Employer allocation percentages have been rounded for presentation purposes.

At December 31, 2024, the Borough had a liability of \$2,106,819 for its proportionate share of the PERS net pension liability. The net pension liability was measured as of June 30, 2024 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2023. The Borough's proportionate share of the net pension liability was based on the ratio of the Borough's contributions to the pension plan relative to the total contributions of all participating governmental entities during the measurement period. As of the measurement date of June 30, 2024, the Borough's proportionate share was .01550 percent, which was a increase of .00023 percent from its proportionate share measured as of June 30, 2023 of .01527 percent.

For the year ended December 31, 2024, the pension system has determined the Borough's pension benefit to be (\$23,390) for PERS based on the actuarial valuations which is less than the actual contribution reported in the Borough's financial statements of \$203,301. At December 31, 2024, the Borough's deferred outflows of resources and deferred inflows of resources related to PERS pension which are not reported on the Borough's financial statements are from the following sources:

***Actuarial Assumptions***

The Borough’s total pension liability reported for the year ended December 31, 2024 was based on the June 30, 2024 measurement date as determined by an actuarial valuation as of July 1, 2023, which was rolled forward to June 30, 2024. This actuarial valuation used the following actuarial assumptions, applied to all periods in the measurement date:

|                           | <u><b>2024</b></u>           |

***Actuarial Assumptions (Continued)***

Assumptions for mortality improvements are based on Society of Actuaries Scale MP for 2021.

The actuarial assumptions used in the July 1, 2023 valuations were based on the results of an actuarial experience study for the period July 1, 2018 to June 30, 2021.

***Long-Term Expected Rate of Return***

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rate of return (expected returns, net of pension plans investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plans' target asset allocation as of June 30, 2024, as reported for the year ended December 31, 2025 are summarized in the following table:

| <u>Asset Class</u>               | <u>Target<br/>Allocation</u> | <u>Long-Term<br/>Expected Real<br/>Rate of Return</u> |

***Special Funding Situation – PERS***

Under N.J.S.A. 43:15A-15, the Borough is responsible for their own PERS contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State to make contributions if certain circumstances occurred. The legislation which legally obligates the State is as follows: Chapter 365, P.L. 2001, and Chapter 133, P.L. 2001. The amounts contributed on behalf of the Borough by the State under this legislation is considered to be a special funding situation as defined by GASB Statement No. 68 and the State is treated as a nonemployer contributing entity. Accordingly, the Borough's proportionate share percentage of the net pension liability, deferred outflows and inflows determined under GASB Statement No. 68 is zero percent and the State's proportionate share is 100% for PERS under this legislation.

At December 31, 2024 the State's proportionate share of the net pension liability attributable to the Borough for the PERS special funding situation is \$0. For the year ended December 31, 2024, the pension system has determined the State's proportionate share of the pension expense attributable to the Borough for the PERS special funding situation is \$6,792, which is equal to the actual contribution the State made on behalf of the Borough of \$6,792. At December 31, 2024 (measurement date June 30, 2024) the State's share of the PERS net pension liability attributable to the Borough was 0.01558 percent, which was an increase of .00031 percent from its proportionate share measured as of December 31, 2023 (measurement date June 30, 2023) of .01527 percent. The State's proportionate share attributable to the Borough was developed based on actual contributions made to PERS allocated to employers based upon covered payroll. These on-behalf contributions have not been reported on the Borough's financial statements.

***Pension Plan Fiduciary Net Position***

Detailed information about the PERS pension plan's fiduciary net position is available in the separately issued financial report from the State of New Jersey, Department of the Treasury, Division of Pension and Benefits. The financial report may be accessed via the New Jersey, Division of Pensions and Benefits, website at [www.state.nj.us/treasury/pensions](http://www.state.nj.us/treasury/pensions).

**Police and Firemen's Retirement System (PFRS)**

At December 31, 2024, the Borough had a liability of \$10,687,099 for its proportionate share of the PFRS net pension liability. The net pension liability was measured as of June 30, 2024 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2023. The Borough's proportionate share of the net pension liability was based on the ratio of the Borough's contributions to the pension plan relative to the total contributions of all participating governmental entities during the measurement period. As of the measurement date of June 30, 2024, the Borough's proportionate share was .10349 percent, which was an increase of .00344 percent from its proportionate share measured as of June 30, 2023 of .10005 percent.

*Actuarial Assumptions*

The Borough’s total pension liability reported for the year ended December 31, 2024 was based on the June 30, 2024 measurement date as determined by an actuarial valuation as of July 1, 2023, which was rolled forward to June 30, 2024. This actuarial valuation used the following actuarial assumptions, applied to all periods in the measurement date:

|                           |                    |
|---------------------------|--------------------|
|                           | <b><u>2024</u></b> |
| Inflation Rate:           |                    |
| Price                     | 2.75%              |
| Salary Increases:         |                    |
| Through all future years  | 3.25%-15.25%       |
|                           | Based on Years     |
|                           | of Service         |
| Investment Rate of Return | 7.00%              |
| Mortality Rate Table      | Pubs - 2010        |

Assumptions for mortality improvements are based on Society of Actuaries Scale MP for 2021.

The actuarial assumptions used in the July 1, 2023 valuations were based on the results of an actuarial experience study for the period July 1, 2018 to June 30, 2021.

*Long-Term Expected Rate of Return*

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rate of return (expected returns, net of pension plans investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plans’ target asset allocation as of June 30, 2024, as reported for the year ended December 31, 2025 are summarized in the following table:

***Discount Rate***

The discount rate used to measure the total pension liability as of June 30, 2024 was 7.00%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers will be made based on 100% of the actuarially determined contributions for the State employer and 100% of the actuarially determined contributions for the local employers. Based on those assumptions, the plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to projected benefit payments to determine the total pension liability.

***Special Funding Situation – PFRS***

Under N.J.S.A. 43:16A-15, the Borough is responsible for their own PFRS contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State to make contributions if certain circumstances occurred. The legislation which legally obligates the State is as follows: Chapter 8, P.L. 2000, Chapter 318, P.L. 2001, Chapter 86, P.L. 2001, Chapter 511, P.L. 1991, Chapter 109, P.L. 1979, Chapter 247, P.L. 1993 and Chapter 201, P.L. 2001. The amounts contributed on behalf of the Borough by the State under this legislation is considered to be a special funding situation as defined by GASB Statement No. 68 and the State is treated as a nonemployer contributing entity. Accordingly, the Borough's proportionate share percentage of the net pension liability, deferred outflows and inflows determined under GASB Statement No. 68 is zero percent and the State's proportionate share is 100% for PFRS under this legislation.

At December 31, 2024, the State's proportionate share of the net pension liability attributable to the Borough for the PFRS special funding situation is \$2,106,939. For the year ended December 31, 2024, the pension system has determined the State's proportionate share of the pension expense attributable to the Borough for the PFRS special funding situation is \$242,386 which is equal to the actual contribution the State made on behalf of the Borough of \$242,386. At December 31, 2024 (measurement date June 30, 2024) the State's share of the PFRS net pension liability attributable to the Borough was .10349 percent, which was an increase of .00344 percent from its proportionate share measured as of December 31, 2024 (measurement date June 30, 2023) of .10005 percent. The State's proportionate share attributable to the Borough was developed based on actual contributions made to PFRS allocated to employers based upon covered payroll. These on-behalf contributions have not been reported on the Borough's financial statements.

***Pension Plan Fiduciary Net Position***

Detailed information about the PFRS pension plan's fiduciary net position is available in the separately issued financial report from the State of New Jersey, Department of the Treasury, Division of Pension and Benefits. **DEFINED CONTRIBUTION RETIREMENT PLAN**

The Defined Contribution Retirement Plan (DCRP) is a multiple employer defined contribution plan as defined in GASB Statement No. 68. The Plan is administered by The New Jersey Division of Pensions and Benefits (Division). The more significant aspects of the DCRP are as follows:

*Plan Membership and Contributing Employers-* Enrollment in the DCRP is required for state or local officials, elected or appointed on or after July 1, 2007; employees enrolled in PFRS or PERS on or after July 1, 2007, who earn salary in excess of established “maximum compensation” limits; employees otherwise eligible to enroll in PFRS or PERS on or after November 2, 2008, who do not earn the minimum annual salary for tier 3 enrollment but who earn salary of at least \$5,000 annually; and employees otherwise eligible to enroll in PFRS or PERS after May 21, 2010, who do not work the minimum number of hours per week required for tier 4 or tier 5 enrollment, but who earn salary of at least \$5,000 annually.

*Contribution Requirement and Benefit Provisions -* State and local government employers contribute 3% of the employees’ base salary. Active members contribute 5.5% of base salary.

Eligible members are provided with a defined contribution retirement plan intended to qualify for favorable Federal income tax treatment under IRC Section 401(a), a noncontributory group life insurance plan and a noncontributory group disability benefit plan. A participant’s interest in that portion of his or her defined contribution retirement plan account attributable to employee contributions shall immediately become and shall at all times remain fully vested and non-forfeitable.

A participant’s interest in that portion of his or her defined contribution retirement plan account attributable to employer contributions shall be vested and non-forfeitable on the date the participant commences the second year of employment or upon his or her attainment of age 65, while employed by an employer, whichever occurs first.

General Information about the OPEB Plan

Plan Description

The State Health Benefit Local Government Retired Employees Plan (the Plan) is a cost sharing multiple employer defined benefit other postemployment benefit (OPEB) plan with a special funding situation. It covers employees of local government employers that have adopted a resolution to participate in the Plan. The plan meets the definition of an equivalent arrangement as defined in paragraph 4 of GASB Statement No. 75, *Accounting and Financial Reporting for the Postemployment Benefits Other Than Pensions*; therefore, assets are accumulated to pay associated benefits. For additional information about the Plan, please refer to the State of New Jersey (the State), Division of Pensions and Benefits' (the Division) Annual Comprehensive Financial Report (ACFR), which can be found at <https://www.state.nj.us/treasury/pensions/financial-reports.shtml>.

Benefits Provided

The Plan provides medical and prescription drug coverage to retirees and their dependents of the employers. Under the provisions of Chapter 88, P.L. 1974 and Chapter 48, P.L. 1999, local government employers electing to provide postretirement medical coverage to their employees must file a resolution with the Division. Under Chapter 88, local employers elect to provide benefit coverage based on the eligibility rules and regulations promulgated by the State Health Benefits Commission. Chapter 48 allows local employers to establish their own age and service eligibility for employer paid health benefits coverage for retired employees. Under Chapter 48, the employer may assume the cost of postretirement medical coverage for employees and their dependents who: 1) retired on a disability pension; or 2) retired with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 3) retired and reached the age of 65 with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retiree coverage may be determined by means of a collective negotiations agreement.

In accordance with Chapter 330, P.L. 1997, which is codified in N.J.S.A. 52:14-17.32i, the State provides medical and prescription coverage to local police officers and firefighters, who retire with 25 years of service or on a disability from an employer who does not provide postretirement medical coverage. Local employers were required to file a resolution with the Division in order for their employees to qualify for State-paid retiree health benefits coverage under Chapter 330. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.L. 1989.

Contributions

Pursuant to Chapter 78, P.L. 2011, future retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28, 2011 will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

*Actuarial Assumptions and Other Inputs* - The total OPEB liability as of June 30, 2024 was determined by an actuarial valuation as of June 30, 2023, which was rolled forward to June 30, 2024. The actuarial assumptions vary for each plan member depending on the pension plan the member is enrolled in. These actuarial valuations used the following actuarial assumptions, applied to all periods (2024) in the measurement:

\* Salary increases are based on years of service within the respective plan.

Preretirement and postretirement mortality rates were based on the Pub-2010 General and Safety Headcount-Weighted mortality table with fully generational mortality improvement projections from the central year using the MP-2021 scale. Actuarial assumptions used in the July 1, 2023 valuation were based on the results of the PFRS and PERS experience studies prepared for July 1, 2018 to June 30, 2021.

100% of active members are considered to participate in the Plan upon retirement.

The health care trend assumption is used to project the growth of the expected claims over the lifetime of the health care recipients. The GASB statement does not require a particular source for information to determine health care trends, but it does recommend selecting a source that is “publicly available, objective, and unbiased”.

*Discount Rate* - The discount rate for June 30, 2024 was 3.93%. This represents the municipal bond return rate as chosen by the State. The source is the Bond Buyer Go 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As the long-term rate of return is less than the municipal bond rate, it is not considered in the calculation of the discount rate, rather the discount rate is set at the municipal bond rate.

*Sensitivity of the State’s Net OPEB Liability to Changes in the Discount Rate* - The following presents the collective net OPEB liability of the participating employers and the Borough as of June 30, 2024, calculated using the discount rate as disclosed above as well as what the collective net OPEB liability would be if it was calculated using a discount rate that is 1-percentage point lower or 1-percentage- point higher than the current rate:

Under N.J.S.A. 43:3C-24 the Borough is responsible for their own OPEB contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State to make contributions if certain circumstances occurred. The legislation which is legally obligates the State is as follows: Chapter 330, P.L. 1997 and Chapter 271, P.L., 1989. Under Chapter 330, P.L. 1997, the State pays the premiums or periodic charges for the qualified local police and firefighter retirees and dependents equal to 80 percent of the premium of periodic charge for the category of coverage elected by the qualified retiree under the State managed care plan or a health maintenance organization participating in the program providing the lowest premium or periodic charge. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under chapter 271, P.L. 1989.

**NOTE 12 POST-RETIREMENT MEDICAL BENEFITS (Continued)**

The amounts contributed on behalf of the Borough by the State under this legislation is considered to be a special funding situation as defined by GASB Statement No. 75 and the State is treated as a nonemployer contributing entity. Accordingly, the Borough's proportionate share percentage of the net pension liability, deferred outflows and inflows determined under GASB Statement No. 75 is zero percent and the State's proportionate share is 100% of OPEB under this legislation. At December 31, 2024, the State's proportionate share of the net pension liability attributable to the Borough for the OPEB special funding situation is \$16,393,331.

**NOTE 13 RISK MANAGEMENT**

The Borough is exposed to various risks of loss related to general liability, automobile coverage, theft of, damage to and destruction of assets; errors and omissions; injuries to employees; termination of employees and natural disasters. The Borough has obtained commercial insurance coverage to guard against these events to minimize the exposure to the Borough should they occur.

The Borough of Englewood Cliffs is a member of the Bergen County Municipal Joint Insurance Fund (BJIF) and Municipal Excess Liability Joint Insurance Fund (MEL). The joint insurance funds are both an insured and self-administered group of municipalities established for the purpose of insuring against property damage, general liability, motor vehicles and equipment liability and worker's compensation. The Funds are risk-sharing public entity pools. The BJIF and MEL coverage amounts are on file with the Borough.

The relationship between the Borough and respective insurance funds is governed by a contract and by-laws that have been adopted by resolution of each unit's governing body. The Borough is contractually obligated to make all annual and supplementary contributions to the insurance funds, to report claims on a timely basis, to cooperate with the management of the funds, its claims administrator and attorneys in claims investigation and settlement, and to follow risk management procedures as outlined by the funds. Members have a contractual obligation to fund any deficit of the funds attributable to a membership year during which the municipality was a member.

The funds provide its members with risk management services, including the defense of and settlement of claims, and established reasonable and necessary loss reduction and prevention procedures to be followed by the members. Complete financial statements of the funds can be obtained by contacting the respective fund's Treasurer.

There has been no significant reduction in insurance coverage from the previous year nor have there been any settlements in excess of insurance coverage in any of the prior three years.

**NOTE 14 CONTINGENT LIABILITIES**

The Borough is a party defendant in some lawsuits, none of a kind unusual for a municipality of its size and scope of operation. In the opinion of the Borough's Attorney, the potential claims against the Borough not covered by insurance policies would not materially affect the financial condition of the Borough.

**Pending Tax Appeals** - Various tax appeal cases were pending in the New Jersey Tax Court at December 31, 2025 and 2024. Amounts claimed have not yet been determined. The Borough is vigorously defending its assessments in each case. Under the accounting principles prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the Borough does not recognize a liability, if any, until these cases have been adjudicated. The Borough expects such amounts, if any, could be material. As of December 31, 2025 and 2024, the Borough reserved \$1,232,000 and \$1,041,518, respectively in the Current Fund for tax appeals pending in the New Jersey Tax Court. Funding of any ultimate liability would be provided for in succeeding years' budget or from fund balance.

**NOTE 14 CONTINGENT LIABILITIES (Continued)**

**Federal and State Awards** - The Borough participates in a number of federal and state programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the Borough may be required to reimburse the grantor government. As of December 31, 2025 and 2024, significant amounts of grant expenditure have not been audited by the various grantor agencies but the Borough believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on the overall financial position of the Borough.

**NOTE 15 FEDERAL ARBITRAGE REGULATIONS**

The Borough is subject to Section 148 of the Internal Revenue Code as it pertains to the arbitrage rebate on all tax-exempt obligations, both long and short-term debt. Under the 1986 Tax Reform Act, the Internal Revenue Service (IRS) required that all excess earnings from investment proceeds be rebated to the IRS. Arbitrage, for purposes of these regulations, is defined as the difference between the yield on the investment and the yield on the obligations issued. If there are excess earnings, this amount may be required to be rebated to the IRS. At December 31, 2025 and 2024, the Borough has not estimated its estimated arbitrage earnings due to the IRS, if any.

**NOTE 16 LENGTH OF SERVICE AWARDS PROGRAM (LOSAP)-UNAUDITED**

On December 6, 2001, the Division of Local Government Services approved Borough's LOSAP Plan, provided by the Variable Annuity Life Insurance Company (VALIC). The purpose of this plan is to enhance the Borough's ability to retain and recruit volunteer firefighters and volunteer members of emergency service squad.

VALIC will provide for the benefit of participants a multi-fund variable annuity contract as its funding vehicle. The plan shall provide for an annual contribution of \$2,159 and \$2,091 for 2025 and 2024, to all eligible members, subject to periodic increases as permitted by N.J.A.C. 5:30-14.9. The Borough's contribution shall be included in the current year's budget. The total Borough contributions were \$25,908 and \$33,456 for 2025 and 2024, respectively.

**Vesting and Benefits**

All amounts awarded under a length of service award plan shall remain the asset of the sponsoring agency; the obligation of the sponsoring agency to participating volunteers shall be contractual only; and no preferred or special interest in the awards made shall accrue to such participants. Such money shall be subject to the claims of the sponsoring agency's general creditors until distributed to any or all participants.

**Reporting Requirements**

The New Jersey Administrative Code NJAC 5:30-14.49 requires that the Borough perform a separate review report of the plan in accordance with the American Institute of Certified Public Accountants (AICPA) Statements on Standards for Accounting and Review Services.

**NOTE 18 SUBSEQUENT EVENTS**

The Borough has evaluated subsequent events occurring after December 31, 2025 through the date of this report, which is the date the financial statements were available to be issued. Based on this evaluation, the Borough has determined that no subsequent events have occurred which require disclosure in the financial statements.

Note: Under the provisions of Chapter 73, L.1976, the County Board of Taxation estimated the amount of approved Veterans and Senior Citizens Tax Deductions for 2025 to be \$12,000.

**COMPARISON OF TAX LEVIES AND COLLECTION CURRENTLY**

A study of this tabulation could indicate a possible trend in future tax levies. A decrease in the percentage of current collection could be an indication of a probable increase in future tax levies.

**PART IV**  
**GOVERNMENT AUDITING STANDARDS**  
**YEAR ENDED DECEMBER 31, 2025**

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

**INDEPENDENT AUDITORS' REPORT**

Honorable Mayor and Members  
of the Borough Council  
Borough of Englewood Cliffs  
Englewood Cliffs, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey ("Division"), the financial statements – regulatory basis of the Borough of Englewood Cliffs ("Borough"), as of and for the year ended December 31, 2025, and the related notes to the financial statements, and have issued our report thereon dated June 24, 2026. Our report on the financial statements – regulatory basis was modified to indicate that the financial statements were not prepared in accordance with accounting principles generally accepted in the United States of America but rather prepared in accordance with the regulatory basis of accounting prescribed by the Division, which is a basis of accounting other than accounting principles generally accepted in the United States, to meet the financial reporting requirements of the Division as described in Note 1.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Borough of Englewood Cliffs' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, we do not express an opinion on the effectiveness of the Borough's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Borough's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as items 2025-001, 2025-002 and 2025-003 that we consider to be material weaknesses.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Borough's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and audit requirements as prescribed by the Division which are described in the accompanying schedule of findings and questioned costs as items 2025-001, 2025-002 and 2025-003.

### **Borough of Englewood Cliffs' Response to Findings**

*Government Auditing Standards* requires the auditor to perform limited procedures on the Borough's responses to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Borough of Englewood's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the responses.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Borough's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Borough's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**BOROUGH OF ENGLEWOOD CLIFFS  
SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
FOR THE YEAR ENDED DECEMBER 31, 2025**

*Part II – Schedule of Financial Statement Findings*

This section identifies the significant deficiencies, material weaknesses, and instances of noncompliance related to the financial statements that are required to be reported in accordance with Chapter 5.18 of *Government Auditing Standards*.

**FINDING 2025-001 - Material Weakness in Internal Control and Compliance Finding**

**Statement of Condition:**

The Borough did not properly maintain the general ledgers, nor the subsidiary ledgers, on a monthly basis.

**Criteria:**

N.J.A.C 5:30-5.7 requires local units to have and maintain a general ledger accounting system and books of original entry for the current fund and all other funds.

**Condition:**

The Borough failed to record numerous transactions during the course of the year, including revenues and expenditures. Additionally, certain ledgers did not include the opening balances that agree to the prior year audit balances.

**Questioned Costs:**

Unable to be determined.

**Context:**

The Borough was unable to provide an updated and accurate general ledger for the various funds at the time of audit.

**Effect:**

Activity and ending balances in the general ledgers presented for audit could not be verified. The lack of maintaining a general ledger for the various funds limits the understanding of financial transactions on a monthly basis and could result in the misclassification of financial transactions.

**Cause:**

The Borough did not accurately maintain the accounting software for general ledgers and subsidiary ledgers on a monthly basis.

**BOROUGH OF ENGLEWOOD CLIFFS  
SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONT'D)  
FOR THE YEAR ENDED DECEMBER 31, 2025**

*Part II – Schedule of Financial Statement Findings  
(Continued)*

**FINDING 2025-001 - Material Weakness in Internal Control and Compliance Finding (Continued)**

**Recommendation:**

Management should maintain a general ledger for Borough funds, which incorporates the original books of entry and subsidiary ledgers to constitute a complete accounting system. The records should be accurate and be maintained on a monthly basis.

**Response:**

The Borough will address the finding and the response will be documented and approved in the Borough's Corrective Action Plan.

**FINDING 2025-002 - Material Weakness in Internal Control and Compliance Finding**

**Statement of Condition:**

The Borough did not properly reconcile bank reconciliations to the general ledger on a monthly basis. Additionally, bank reconciliations included various reconciling items from the prior year and/or without proper detail.

**Criteria or Specific Requirement:**

Bank reconciliations must be performed on a monthly basis to ensure all cash transactions and reconciling items have been recorded and verified in the accounting software.

**Condition:**

See above.

**Questioned Costs:**

Unable to be determined.

**Context:**

Bank reconciliations are necessary to ensure all transactions are properly recorded in the accounting system.

**Effect:**

Numerous transactions were not recorded in the accounting system which could result in the misclassification of receipts and disbursements and the incorrect valuation of cash. Timely preparation of bank reconciliations would identify transactions that were not recorded.

*Part II – Schedule of Financial Statement Findings  
(Continued)*

**FINDING 2025-002 - Material Weakness in Internal Control and Compliance Finding (continued)**

**Cause:**

The Borough did not verify monthly bank reconciliations to the general ledger on a monthly basis.

**Recommendation:**

Bank reconciliations should be verified on a monthly basis to the respective general ledger to ensure all transactions have been accounted for and all reconciling items be reviewed and adjusted timely.

**Management's Response:**

The Borough will address the finding and the response will be documented and approved in the Borough's Corrective Action Plan.

**Finding 2025-003 - Material Weakness in Internal Control and Compliance Finding**

Our audit disclosed instances of overexpenditures of budget appropriation reserves and expenditures without appropriation.

**Criteria or specific requirement:**

New Jersey Statute Title 40A:4-57 – Expenditures void without appropriations.

**Condition:**

See Finding 2025-003.

**Questioned Costs:**

None.

**Context:**

The following instances were noted of overexpended budgeted appropriations and expenditures without appropriations:

- There were two (2) line items overexpended in the Current Fund appropriation reserves budget totaling \$31,588.
- There were various charges for on-line processing fees throughout the year totaling \$48,133 that were not charged to the 2025 budget.

**Cause:**

Unknown

**Effect:**

The overexpenditures of budgeted appropriations and expenditures without appropriations are deferred charges which are required to be raised in the Borough's subsequent year's budget.

**Recommendation:**

Greater care be taken to ensure sufficient funds are available prior to expenditure being processed.

**Management's Response:**

Management has reviewed this finding and has indicated that corrective action will be taken.

**BOROUGH OF ENGLEWOOD CLIFFS  
SUMMARY SCHEDULE OF PRIOR YEAR AUDIT FINDINGS  
FOR THE YEAR ENDED DECEMBER 31, 2025**

This section identifies the status of prior-year findings related to the financial statements which are required to be reported in accordance with Chapter 6.12 of *Government Auditing Standards*.

**STATUS OF PRIOR YEAR FINDINGS**

**Finding 2024-001:**

Attorney responses for audit inquiry of a client's lawyer concerning litigation, claims, and assessments in accordance with section, were not received from a number of attorneys.

**Current Status**

This matter has been resolved.

**Finding 2024-002:**

The Borough did not maintain the general ledgers, nor the subsidiary ledgers, during the course of the fiscal year.

**Current Status**

Unchanged – See Finding 2025-001

**Finding 2024-003:**

The Borough did not properly prepare bank reconciliations on a monthly basis, resulting in old outstanding items that are being carried into the subsequent year with no remedy.

**Current Status**

Unchanged – See Finding 2025-002

## **BOROUGH OF ENGLEWOOD CLIFFS**

### **GENERAL COMMENTS AND RECOMMENDATIONS**

#### **Contracts and Agreements Required to be Advertised for N.J.S. 40A:11-4**

NJS 40A:11-4 states "Every contract or agreement, for the performance of any work or the furnishing or hiring of any materials or supplies, the cost or the contract price whereof is to be paid with or out of public funds not included within the terms of Section 3 of this act, shall be made or awarded only after public advertising for bids and bidding therefore, except as is provided otherwise in this act or specifically by any other law. No work, materials or supplies shall be undertaken, acquired or furnished for a sum exceeding in the aggregate \$53,000 (effective July 1, 2025), except by contract or agreement. The bid threshold prior to July 1, 2025 was \$44,000.

If the Borough's purchasing agent is qualified pursuant to subsection 3b. of Section 9 of P.L. 1971, c.198 (C.40A:11-9), the Township may establish the bid threshold up to a maximum of \$53,000. The Borough's Administrator is qualified and the Township, by resolution, has increased the bid threshold to \$53,000.

The governing body of the municipality has the responsibility of determining whether the expenditures in any category will exceed the bid threshold within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Borough Attorney's opinion should be sought before a commitment is made.

The minutes indicate that resolutions were adopted and advertised authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S. 40A:11-5. Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishings or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear violations existed.

Our examination of expenditures did reveal individual payments, contracts or agreements in excess of the bid threshold "for the performance of any work, or the furnishing or hiring of any materials or supplies" other than those where bids had been previously sought by public advertisement or where a resolution had been previously adopted under the provisions of N.J.S. 40A:11-6.

#### **Collection of Interest on Delinquent Taxes and Assessments**

The statute provides the method for authorizing interest and the maximum rates to be charged for the non-payment of taxes or assessments on or before the date when they would become delinquent.

The Governing Body on January 5, 2025, adopted the following resolution authorizing interest to be charged on delinquent taxes:

BE IT RESOLVED, by the Mayor and Council of the Borough of Englewood Cliffs, County of Bergen, State of New Jersey, that the penalty upon delinquent taxes and assessments be fixed at the rate of eight (8) per centum per annum on the first \$1,500.00 of the delinquency and eighteen (18%) per cent per annum on any amount in excess of \$1,500 will be added from payable date to date of payment received; and that no penalty be imposed if payment upon taxes or assessments become due and payable and the Collector is hereby authorized and empowered to waive any penalty for interest provided said taxes and assessments are paid before the expiration of ten (10) days after each quarterly payment of taxes and assessments become due. A penalty of up to 6% may be charged on any delinquency in excess of \$10,000 if not paid by the end of the fiscal year.

BE IT FURTHER RESOLVED, that this resolution shall be effective immediately and that the penalty rate herein fixed for assessments shall not apply where there is a specific ordinance fixing a penalty rate for a specific assessment.

### **GENERAL COMMENTS AND RECOMMENDATIONS**

#### **Delinquent Taxes and Tax Title Liens**

There was a tax sale held on December 5, 2025.

The following comparison is made of the number of tax title liens receivable on December 31, of the last three years:

| <u>Year</u> | <u>Number<br/>of Liens</u> |
|-------------|----------------------------|
| 2025        | 1                          |
| 2024        | 1                          |
| 2023        | 1                          |

#### **SUGGESTIONS TO MANAGEMENT**

- All intrafunds in the Other Trust Fund be cleared of record.
- The General Capital Fund improvement authorization that is more than five years old and in a deficit position be funded.
- No transfers be made between outside the “CAP” appropriations in the Current Fund.

#### **GENERAL COMMENTS**

##### **Current Year**

There are none.

##### **Prior Year Unresolved**

The audit disclosed there exist prior year outstanding grants and contributions receivable in the Federal and State Grant Fund and the General Capital Fund. It is recommended that all grant and contributions receivable be reviewed and assessed for collectability and cancelled if necessary.

The audit indicated there exists certain prior year unexpended appropriated grant reserves. It is recommended that greater efforts be made to charge appropriated grant reserves for allowable expenditures.

The audit revealed certain Current Fund deferred charges were not raised in the subsequent year’s budget. It is recommended that all deferred charges be raised in the subsequent year’s budget.

The Borough’s accounting policy for outside employment of police officers within the police salary and wage budget line item is not authorized and is contrary to State laws and regulations as stated in Local Finance Notice 2000-14 “Managing for Outside Employment of the Police”. It is recommended that the Borough receive estimated payments for private-duty prior to the performance of police work, in accordance with N.J.A.C. 5:30-8.6 (h).

The audit indicated that the General Capital Fund improvement authorization ledger was not in agreement with audit balances. It is recommended that the General Capital Fund improvement authorization ledger be adjusted to reflect audit balances.

**GENERAL COMMENTS AND RECOMMENDATIONS**

**Prior Year Unresolved (Continued)**

The audit revealed certain goods and services are being ordered prior to the execution of a purchase order. It is recommended that all goods and services be encumbered prior to being ordered.

The audit indicated certain State contracts and/or purchases exceeding the bid threshold were not approved in the official minutes. It is recommended that all purchases in excess of the bid threshold be awarded by resolution as required by N.J.S.A. 40A:11-6.1.

A review of various professional service contracts and award procedures revealed that the Borough is not in compliance with the State's "Pay to Play" statute (P.L. 2005, c.51) with regard to no including a "not to exceed" cost language as required by N.J.A.C. 5:30-5.5(b)(1). It is recommended that Borough officials develop and implement policies and procedures concerning the award of professional service contracts to ensure compliance with all Pay-to-Play Compliance Regulations when awarding professional service contracts.

The audit of bids and quotes indicated the following were not available for audit:

- a. Completed bid packages awarded to vendors
- b. Additional quotes for purchases exceeding the quote threshold
- c. Proposal documents for professional services awarded through the fair and open process.

It is recommended that all documents related to bids and quotes for goods and services be made available for audit.

The audit disclosed that certain tax court judgment where a tax court judgments were not refunded in a timely manner. It is recommended that all tax court judgments be refunded in a timely manner.

The Audit of the Municipal Court indicated there were 119 tickets assigned but not issued exceeding 181 days. It is recommended that court personnel takes steps to ensure that all tickets that are assigned but not issued over 181 days be recalled and either destroyed or reassigned to other officers.
